**3 - Peppers**

**8 - Bush Beans**

**16 - Carrots or Onions**

**4 - Herbs**

**5 - Marigolds/Nasturtiums**

For a Raised Bed 8ft long x 4ft wide x 1ft deep, plan to fill it with 27 cubic feet of material. For the bottom half, we suggest well-draining, quality topsoil (approximately 10 bags). For the top half, we recommend Petitti Planting Mix (approximately 10 bags). Additionally, incorporate 1-2 bags of Compost & Manure, Sweet Peet®, and/or any preferred, nutrient-rich, gardening amendments.
